

**Our Lady of the Rosary Catholic Primary School**

**Westway**

**Peterlee**

**County Durham**

**SR8 1DE**

**For all the staff and pupils of Our Lady of the Rosary,**

**Thank you to Mrs Graham and Mrs Sutherland for the lovely letter you sent to the pupils of Our Lady of the Rosary.**

**Thank you for letting us know how to keep our families and ourselves safe from the virus. I hope everyone is staying inside and I hope to see you all very soon.**

**I miss my friends from school a lot so I hope we get through this time safely. Also as head girl, I want to say that all of our teachers and school staff need to stay safe too. The staff are doing a brilliant job of keeping the school open for some pupils so their parents can do important work.**

**As I am in year 6 sats have cancelled, but the work we have to do at home is helping us to keep our brains active and making sure we can be in the best place to learn when we come back to school. It has shown us we can be learning in lots of very different ways.**

**Please check our school website and ask your parents to like the school facebook page where there are lots of great ideas and activities. You can send a photograph to the page of what work you have been doing and that way we all get to see each other a little.**

**This school is our home and being apart will be tough for some people but soon we will be back in, Christ at the centre, children at the heart.**

**Love Anya Simmons**

**Head girl**

**30<sup>th</sup> March 2020**
