

Hello everyone,

I am writing to you all to see how you all are and to make sure you are still having fun at home. I have loved receiving lots of messages via email and tapestry from you all. Lots of you have been baking, play games, practicing your numbers and singing. Excellent work well done!

This week I enjoyed the sun in my garden and had a barbeque, I also went for a walk and tried to spot some of the birds Mrs Elrick taught us about when we were at school.

I hope you all received your work packs and have enjoyed doing some of the activities in them. Keep logging onto tapestry for activities and challenges!

I hope to see you all soon as all your teachers in Nursery and Reception miss you.

From Mrs White
