

To the **amazing** children of St Mary's and Our Lady of the Rosary,

I hope this letter finds you all **safe** and **well**. I hope you have been looking after yourselves and the people closest to you and that you have been trying to remain **positive** and **hopeful** during such a challenging time.

Spending so much time away from school has really brought to mind some of the things I miss about the day to day aspects of school life and our school family. I miss your **smiley faces**, the **hustle** and **bustle** of the school yards and corridors, the **'good morning'** greetings, and the **beautiful singing**.

So, I've had an idea💡 and to make it work I will need help from each and every one of you!

We are going to make a **virtual choir**! Our choirs and children at St Mary's and Our Lady of the Rosary have brought so much **happiness** to so many over the years. Let's see if we can bring some more **joy** to our school community through our **wonderful** singing!

We are very lucky to have an extremely talented musician, a dear friend of our school called, **Mike McGrother** on board to help us pull this project together. The first song we are going to record is called **'We'll Meet Again'**. Mike has very kindly written a letter to you all (which I have attached) providing instructions on how to record yourself singing and then how to send your recordings in to us. Make sure you have a good read! We are **super excited** to hear all of your voices again and I know that Mike can't wait to help us create something very **special**!

Until we see each other again, please remember to look after each other, look after yourselves, be **kind** to those around you, keep **smiling**, keep singing and keep **safe**.

With love,

Mrs Graham, Mrs Tumeilty and Mr Bourdeic

*Music gives a soul to the universe,
Wings to the mind,
Flight to the imagination,
And life to everything.*

Plato
