

*Hello everyone!*

*We have had an exciting week here at school this week, the Nursery and Reception classrooms are being painted! We have made a very big mess but we will send you all some more photographs when we are all done.*

*Mrs Graham has bought a fantastic new paddling pool for the ducks so I have dropped it off at Mrs Elrick's house so that they can splash and play!*

*Did many of you make the birdhouse Mrs Robson put on Tapestry? I would like to see your birdhouses and let me know if any birds have visited them!*

*Keep safe and I hope to see you all very soon!*

*From*

*Mrs White and all the EYFS Team*
